Summary

Technical Consultant and AI/Full Stack Developer with 4+ years of experience in video streaming platforms, AWS, Kubernetes, cloud operations, observability, incident management, automation, and AI application development. Skilled in Python, GenAI, LLM applications, REST APIs, and full-stack development, with experience building automation solutions that improve operational efficiency and reduce manual effort.

Education

The National Institute of Engineering	BE • 8.5CGPA
Information Science & Engineering	Mysuru • 2020 - 2023
JSS Polytechnic	Diploma • 95%
Information Science & Engineering	Mysuru • 2017 - 2020
Vijaya Vittala Vidyashala	SSLC • 61%
High School	Mysuru • 2013 - 2016

Experience

Synamedia India PVT LTD	Bangalore
Technical Consultant	October 2024 - Present
Managed channel onboarding, AWS cloud operations, and Kubernetes-based deployments for video streaming platforms. Monitored system performance using Grafana and Lightstep, resolved production incidents, and developed automation solutions to improve operational efficiency.	
Associate Technical Consultant	June 2023 - October 2024
Supported live channel integrations, platform monitoring, and troubleshooting of production issues. Assisted with cloud operations, incident management, and Python-based automation to enhance service reliability and streamline workflows.	
Grad Intern	Feb 2023 - June 2023
Assisted in monitoring video streaming services, investigating incidents, and supporting platform operations. Gained hands-on experience with AWS, Kubernetes, Linux, and automation while working alongside senior technical teams.	

Freelance Experience

Mysuru

Freelance Full Stack & AI Developer | 2023–Present

- Delivered **websites and digital solutions for multiple clients**, including educational institutions, from requirements gathering through development and deployment.
- Built **responsive, dynamic web applications** using HTML, CSS, JavaScript, PHP, MySQL, and modern web technologies, improving clients' online presence and accessibility.
- Worked directly with clients to understand business requirements, propose technical solutions, and deliver production-ready applications.

Projects

Sentinel- AI2026

Developed an **LLM-powered AI assistant** using **Python, FastAPI, Amazon Bedrock, RAG architecture, vector databases, prompt engineering, and REST APIs**, implementing document ingestion, embeddings, semantic search, contextual retrieval, and LLM-driven response generation.

DQ - Autoation2025

Developed and deployed **DQ Automation** using **Python, Google Vision API/OCR, image processing, and automation**, reducing manual validation effort by **~80%** and saving **20+ hours/week**.

JSS POLYTECHNIC FOR WOMEN2025

Developed and deployed a modern, responsive college website with dynamic content management, mobile-friendly design, and enhanced user experience.

JSS POLYTECHNIC2025

Developed and deployed the official website for JSS Polytechnic, Mysuru, improving the institution's digital presence with a responsive design, dynamic content management, and enhanced user experience.

JSS POLYTECHNIC NANJANGUD2025

Designed and developed the official JSS Polytechnic, Nanjangud website with responsive layouts, dynamic content management, and an enhanced user experience across all devices.

Skills

-  Python | Java | C
-  AWS | Kubernetes | Docker | Linux | Git
-  ReactJs | Tailwind CSS | PHP
-  AI Development | LLM Applications | Prompt Engineering | Automation | REST APIs
-  Grafana | Lightstep | Incident Management
-  MySQL | MongoDB

Certifications

Generative AI Foundations Certificate Program28-Sep-2025

Microsoft

Delighted to share that I have successfully completed the Generative AI Foundations Certificate Program as of 28th September 2025. This journey has equipped me with cutting-edge insights and practical knowledge in the rapidly evolving world of generative AI technologies.

Awards

India Site Excellence Recognition award2025

Synamedia India PVT LTD

Received the Synamedia India Site Excellence Recognition Award for outstanding performance, leadership, and commitment to operational excellence.
